

ASSOCIATION/NON-PROFIT MEMBERSHIP (Please check desired membership category)

Organization Membership*

Organization membership provides full member benefits to your entire staff. Dues are based on the number of staff at the director level and above. Directors, including the CEO, are defined as those with responsibility for directing a function of the association. Directors only responsible for industry-specific expertise should not be counted. See pricing table below to calculate organization membership dues.

Number of staff at or above director level	1 CSE	2 Directors	3 Directors	4-5 Directors	6-12 Directors	13+ Directors
Annual Dues	\$350	\$565	\$780	\$1,085	\$1,625	\$2,705

Number of Directors	
Total Staff	

IF YOU HAVE...

A staff of 4 or fewer with 70% or more at the director-level, divide the number of directors in half to determine your dues.
EXAMPLE: Staff of 4 with 3 directors = 75% directors. $3 \div 2 = 1.5$; then report 1 director (round down).

For a staff of 5 or greater with 50% or more at the director-level, divide the number of directors in half to determine your dues.
EXAMPLE: Staff of 12 with 8 directors = 67% directors. $8 \div 2 = 4$; then you would report 4 directors.
