## 2011-2012 Michigan Leadership Guide Order Form

Place your order for the Michigan Society of Association Executives 2011-2012 Michigan Leadership Guide. The directory includes committee assignments, contact information and pictures of the members of the Michigan State Senate, Michigan House, Supreme Court, and members of the Governor's office to better acquaint you with the new faces of Michigan government.

This is a great tool to encourage participation in your grass roots efforts. It is a valuable reference guide for a PAC Steering Committee or for your staff involved in working with legislators. What a great gift for your Board of Directors and members that participate in your governmental affairs program. The possibilities of how you can use this directory in your lobbying efforts are endless.

Available in February. Please contact Kelly Chase at [info@msae.org](mailto:info@msae.org) with any questions. Limited availability. Orders filled on a first-come, first-serve basis.
